REVENUE SECRETARIAT. 4043 30 JUN 1924 LOCAL SELF GOVT. BRANCH.

9 JUN 1924

Sir,

I have the honor to state that for the purpose of fixing the scale of the office establishment, the minor municipal council, Hosdrug was classified as IV class (vide G.O.No.2071-2/Ml.37-17-9 dated 16th November 1917.)

As the present income (figures for the past 3 years are noted in the margin) has far exceeded the minimum fixed for a 4th class municipality viz ₹ 3000, the municipal council resolved in their meeting held on 29th December 1923 that the municipality should be raised to that of a III class.

Year.	Income.
1920-21.	3723.
1921-22.	4347.
1922-23.	6820.

On a reference made from this office as to whether the municipal council are prepared to maintain the additional establishment required for a 3rd class municipality and to meet the expenditure therefor, it reported by the President of the said municipal council that the municipal council are not willing to enhance the establishment charges by entertaining an additional hand on ₹ 20 in view of the fact that the municipal council have to provide funds towards their contribution which comes up to ₹ 5833 for the construction of the buildings for the Local Fund Dispensary and the Girls' school in the town and besides they have to meet the establishment charges of a Sanitary Maistry since entertained by the municipal council.

Under the circumstances the municipal council propose to increase the pay of the clerk from ₹ 20 to ₹ 25 per mensem after obtaining sanction of Government to the change of classification of their municipality i,e, from IV class to III class. Necessary provision for the purpose is also made in the Budget for 1924-25.

I recommend that the proposed classification of the municipality from IV class to III class may kindly be sanctioned by Government

The file of records ending with the President's report No.[illegible]
